Sir:

**REQUEST FOR CERTIFICATE OF CORRECTION PURSUANT  
TO 37 C.F.R. 1.322**

Transmitted herewith is a Certificate of Correction for U.S. Patent No. 5,587,701 issued December 24, 1996. Upon reviewing the claims, the patentee noted that the following typographical error was made by the Patent and Trademark Office, which should be corrected as follows:

In column 4, line 43, please delete the number "31" and replace it with -- 37 --.

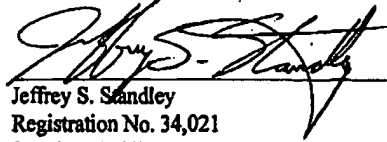

In column 5, line 5, please insert the number --33 -- after the word "battery".

As to this error, a review of the Amendment filed May 23, 1996, confirms that the error was made in the printing of the patent.

Since the above noted error for which a Certificate of Correction is sought was a result of a Patent and Trademark Office mistake, no fee is due (35 U.S.C. § 254).

Respectfully submitted,

By:
